University Magazine (Vartapatra)

College/Staff/Student Activities

Period: July 2014 – June 2015

A.N. Thakare
Assistant Professor
BDCOE, Sevagram

Dr. M. A. Gaikwad
Principal
BDCOE, Sevagram
Department Of Computer Engineering

Name of Program – A Guest Lecture on “Guidance to the final year students for selection of project topic”.

Session – 2014 - 2015

Date of Workshop – 05th July 2014

No. of students – 87

Name of Resource person – Prof. R. S. Mangrulkar, Head, Dept. of Comp. Engg., BDCE, Sevagram

Coordinator – Prof. Ashish Nanotkar, Dept. of Comp. Engg., BDCE, Sevagram

Co-Coordinator – Prof. Akhil D. Gotmare, Dept. of Comp. Engg., BDCE, Sevagram

Program details -

The department organized a guest lecture delivered by Prof. R. S. Mangrulkar on dated 05th July 2014. The guest lecture aimed at providing the final year students with the insights regarding their final year project and how important it is in deciding their future course of action and also choosing their career option. This seminar had conducted under the C-DOS banner coordinated by Prof. Ashish Nanotkar, Department of Computer Engineering, BDCE.
Name of Program – A Guest Lecture on “Introduction to Matlab”.

Session – 2014 - 2015

Date of Workshop – 07th July 2014

No. of students – 87

Name of Resource person – Prof. P. V. Chavan, Asst. Prof., Dept. of Comp. Engg., BDCE, Sevagram

Coordinator – Prof. Ashish Nanotkar, Dept. of Comp. Engg., BDCE, Sevagram

Co-Coordinator – Prof. Akhil D. Gotmare, Dept. of Comp. Engg., BDCE, Sevagram

Program details -

The department organized a guest lecture delivered by Prof. P. V. Chavan on dated 07th July 2014 on Introduction of MATLAB, its applications, scope and superiority of the software over its peers. This guest lecture aimed at providing the idea with other importance regarding the MATLAB and also choosing it as a career option. This seminar had conducted under the C-DOS banner coordinated by Prof. Ashish Nanotkar, Department of Computer Engineering, BDCE.
Name of Program – A Guest Lecture on “Opportunities in Image Processing”.

Session – 2014 - 2015

Date of Workshop – 08th July 2014

No. of students – 87

Name of Resource person – Prof. M. S. Nimbarte, Asst. Prof., Dept. of Comp. Engg., BDCE, Sevagram

Coordinator – Prof. Ashish Nanotkar, Dept. of Comp. Engg., BDCE, Sevagram

Co-Coordinator – Prof. Akhil D. Gotmare, Dept. of Comp. Engg., BDCE, Sevagram

Program details -

The department organized a guest lecture delivered by Prof. M. S. Nimbarte on dated 08th July 2014 on the immense opportunities and scope in the field of image processing. Introduction of image processing, its applications and various related areas had been discussed in the guest lecture. This guest lecture aimed at providing the idea with other importance regarding the Image Processing. This seminar had conducted under the C-DOS banner coordinated by Prof. Ashish Nanotkar, Department of Computer Engineering, BDCE.
Name of Program – One day workshop on “Cyber Security”.

Session – 2014 - 2015

Date of Workshop – 19th July 2014

No. of students – 130

Name of Resource person – Mr. Ashish Handa

Coordinator – Prof. Ashish Nanotkar, Dept. of Comp. Engg., BDCE, Sevagram

Co-Coordinator – Prof. Akhil D. Gotmare, Dept. of Comp. Engg., BDCE, Sevagram

Program details -

The department organized a workshop on “Cyber Security” taken by Mr. Ashish Handa. He had covered the topics like vulnerabilities, denial-of-service attack, vulnerable areas, financial cost of security breaches, computer protection, notable computer security attacks and breaches, legal issues and global regulation, actions and teams, etc. This seminar had conducted under the C-DOS banner coordinated by Prof. Ashish Nanotkar, Department of Computer Engineering, BDCE.
**Name of Program** – Two days workshop on “Android Application Development Workshop”

**Session** – 2014 - 2015

**Date of Workshop** – 09th & 10th February 2014

**No. of students** – 66

**Name of Resource person**– Mr. Mithilesh Pandey, GeeksLab Technology, New Delhi

**Coordinator** – Prof. Ashish Nanotkar, Dept. of Comp. Engg., BDCE, Sevagram

**Co-Coordinator** – Prof. Akhil D. Gotmare, Dept. of Comp. Engg., BDCE, Sevagram

**Program details** -

The department organized a two days workshop on “Android Application Development Workshop” taken by Mr. Mithilesh Pandey, GeeksLab Technology, New Delhi. He had covered the topics like Android SDK, its interface, applications, memory management, hardware requirement, open-source community, security, privacy, licensing, legal issues. This workshop had conducted under the C-DOS banner coordinated by Prof. Ashish Nanotkar and co-coordinated by Prof. Akhil D. Gotmare, Department of Computer Engineering, BDCE.
Name of Program – Celebration of “Shri. Chatrapati Shivaji Maharaj jayanti”
Session – 2014 - 2015
Date of Program – 21st Feb. 2015
Name of Resource person – Prof. Sumant Tekade, MBA-HOD & Corporate Trainer, S. B. Jain COE
Coordinator – Prof. R. V. Chaudhari, Dept. of Comp. Engg., BDCE, Sevagram

Program Details –

The department organized a college level event on “Shri. Chatrapati Shivaji Maharaj jayanti”
Prof. Sumant Tekade invited as a guest to deliver speech on Chatrapati Shivaji Maharaj. He explained various management skills of Shivaji by illustrating various memorable and Inspirational events of his life. He explained that Shivaji maharaj challenged mighty Mughal king Aurangjeb with limited resources and motivated the common people in Maharashtra to fight against injustice.

Prof. Sumant Tekade through his speech inspired students to set the goal in life and do proper planning to achieve it. Also Dr. M. A. Gaikwad, Principal, BDCE and Dr. D. K. Agrawal provided some guidance to students about role of a youth in building better society. Students of all departments, teaching and nonteaching staff attended the program.

The program was organized by department of computer engineering. Dr. M. A. Gaikwad, Principal BDCE and Prof. R. S. Mangrulkar, HOD Dept. of Computer Engineering, took necessary effort for the success of program. Coordinator Prof. R. V. Choudhary successfully handled all the task related for smooth conduction of program.

BDCE: Prof. Suman Tekade delivered guest lecture on occasion of Shiv Jayanti
Name of Program – One week departmental Industrial visit cum tour
Session – 2014 - 2015
Date of Workshop – 18th to 27th December 2014
No. of Students – 38
Tour In-charge – Prof. Ashish Nanotkar, Dept. of Comp. Engg., BDCE, Sevagram
Co-coordinator – Prof. Akhil D. Gotmare, Dept. of Comp. Engg., BDCE, Sevagram
Co-coordinator – Prof. Priyanka A. Jalan, Dept. of Comp. Engg., BDCE, Sevagram

Program details -

The department organized a industrial visit cum tour to North India in between 18th & 27th December 2014. We had visited Infosys Technology Pvt. Ltd., at Chandigarh. Also various tourist places of Delhi, Amritsar, Manali has been visited by us. We all had enjoyed it a lot.
Name of Program – One week intra departmental cricket matches
Session – 2014 - 2015
Date of Workshop – 07th to 15th January 2015
Participants – 4th, 6th and 8th Semester CE students
Coordinator – Prof. Ashish Nanotkar, Dept. of Comp. Engg., BDCE, Sevagram

Program details

The department organized a one week intra departmental cricket matches in between 07th January to 15th January 2015. The 4th, 6th and 8th semester students were participated in these matches. The 6th Sem (B) was the winner. The certificate distributed them in the Farewell 2015 program. This sport week had organized under the C-DOS banner coordinated by Prof. Ashish Nanotkar, Department of Computer Engineering, BDCE.
Department of Information Technology

Name of Program: Debate and Extempore competition
Session: 2014-15
Date: 23/09/2014
Name of Program In-charge: Prof. A. A. Kolpyakwar, faculty In charge, D’GITS.
Topic for the Debate Competition: “Is android competing windows?”
Venue: college auditorium.
Number of participants: 25

Program detail:

Student’s forum of Department of Information Technology (D’GITS) had recently organized “Debate and Extempore competition” for the students. The objective behind conducting this Debate and Extempore competition was to make students to spared awareness among the students about the influence of android operating system in the society and its pros and cons. Dr. M. A. Gaikwad Principal BDCE, Sevagram, HOD Information Technology Prof S. N. Dagadkar, Prof. M. R. Sayankar all the staff member of Information Technology Department and students and participants of information technology attended “Debate and Extempore competition”.

BDCE: Installation program of student organization followed by Debate Competition
Name of Program – Two days workshop on “Android Application Development Workshop”

Date of Workshop – 09th & 10th February 2014

No. of students – 66

Resource Person – Mr. Mithilesh Pandey, Geekslab Technology, New Delhi

Coordinator – Prof. Anirudha Kolpyakwar, Dept. of Information Technology. BDCE, Sevagram

The Department organized a two days workshop on “Android Application Development Workshop” taken by Mr. Mithilesh Pandey, Geekslab Technology, New Delhi. He had covered the topics like Android SDK, its interface, applications, memory management, hardware requirement, open-source community, security, privacy, licensing, legal issues, etc. This workshop had conducted under the D’GITS banner coordinated by Prof. Anirudha Kolpyakwar Department of Information Technology, BDCE.

**BDCE: Successful Completion of Android Workshop in Department of CE and IT**
Name of Program: Blood Donation Camp  
Name of resource Person: Dr. P.S. Sawadh 
Date: 17/01/2014  
Name of Program In-charge: Prof. A.A. Kolpyakwar, Coordinator, D’GITS.  
Venue: Dr. A. P. J. Abdul Kalam Hall.  
Number of Donors: 65  

Program detail:
Student’s forum of Department of Information Technology (D’GiTS), had recently organized “Blood donation Camp” The objective behind conducting to celebrate the birth anniversary of Swami Vivekananda and to spread awareness among the students about the influence of his life for the society and its pros and cons. Dr. M. A. Gaikwad Principal BDCE, Sevagram, HOD Information Technology Prof S. N. Dagadkar, Prof. M. R. Sayankar (faculty in-charge D’GiTS), all the staff member of Information Technology Department.
Name of Program - Industrial Tour 2014-15
Total Number Of faculty: 03
Total Number of Student: 37
Duration: From 27/12/2014 to 05/01/2015 (9–Days)

Program Details –

**ISRO VSSC at Thirvananthapuram**

The **Vikram Sarabhai Space Centre** is a major space research centre of the Indian Space Research Organisation (ISRO), focusing on rocket and space vehicles for India's satellite programme. It is located in Thiruvananthapuram, in the Indian state of Kerala. The centre had its beginnings as the Thumba Equatorial Rocket Launching Station (TERLS) in 1962. It was renamed in honour of Dr. Vikram Sarabhai, often regarded as the father of the Indian space program. The Vikram Sarabhai Space Centre is one of the main research and development establishments within ISRO. VSSC is an entirely indigenous facility working on the development of sounding rockets, the Rohini and Menaka launchers, and the ASLV, PSLV, GSLV and GSLV Mk III families of launch vehicles.

VSSC pursues research and development in the fields of aeronautics, avionics, composites, computer and information technology, control guidance and simulation, launch vehicle design, mechanical engineering, mechanisms vehicle integration and testing, propellants polymers and materials, propulsion propellants and space ordnance, and systems reliability. These research Entities are the system development agencies for the Projects and thus provide for the realization of the project objectives. Management systems area provides for programme planning and evaluation, human resource development, budget and manpower, technology transfer, documentation and outreach activities.

VSSC is certified for compliance to ISO 9001:2000 quality management system. The quality objectives of the Centre are planning, implementing and maintaining a quality system during design, development, production, and operation of subsystems and systems for launch vehicles. It also aims at achieving continued improvement in process for its zero defect goal. ISRO has developed an array of sounding rockets and four generations of launch vehicles and thus establishing operational space transportation system. Most of launch vehicle development is carried out at VSSC. VSSC made significant
contribution to India’s maiden mission to the Moon, Chandrayaan-1. VSSC also has programs focused on applications of space technology including village resource centres, telemedicine, tele-education, disaster management support and outreach through Direct To Home television broadcast.

**Other Spots** – Cochin, Munnar Hill Station, Periyar Lake in Thekkady, Kovalam Beach, Kanyakumari
Department of Electrical (E & P) Engineering

Name of Program – Wheelspin-2015-A National Level Technical Techfest collaborated with NIRMAN in association with PADARTH, IIT Bombay

Date of Workshop – 27th Feb 2015

Name of Convener - Prof. R.G. Shrivastava

Name of the President of the function - Dr. M.A. Gaikwad, Principal, BDCE

For an inauguration: on dais –

Chief Guest – Dr. Kirtiwardhan Dixit, Vice-chancellor, Gondwana University
Patron – Prof. Suresh B. Deshmukh, Chairman, Yeshwant Rural Education Society, Wardha
Principal – Dr. M.A. Gaikwad
Convener – Prof. R.G. Shrivastava
Co-convener – Prof. S.R. Bhawarkar, Prof. J.B. Fulzele, Prof. S.D. Zilpe

Program Details–

BDCE: Inauguration of Wheelspin-2015-A National Level Technical Techfest collaborated with NIRMAN in association with PADARTH, IIT Bombay
The Ninth National Level Technical techfest WHEELSPIN-2015 was held in Bapurao Deshmukh college of Engineering, Wardha on 27th Feb 2015 with first time collaboration with NIRMAN in association with PADARTH, IIT Bombay. More than 3300 participants from various engineering colleges in and around Maharashtra has participated the event. This was a one day national techfest hosted by the department of Electrical (E&P) Engineering. The Inauguration Reception was compeered by the student representatives Mr. Pratik Panchabhai & student coordinator Mr. Sagar Pathak & Mr. Suraj Kurrey. As a mark of our tradition and culture, the dignitaries lighted the samai. The conference was launched with warm welcoming all the dignitaries. Dr. Kirtiwardhan Dixit, Vice-chancellor, Gondwana University, congratulated for conducting such a national level techfest for constant updation of technical knowledge is necessary in the field of Engineering. Followed by Prof. Suresh B. Deshmukh, Chairman,

Yeshwant Rural Education Society, Wardha. He assured that this techfest would definitely help the participants in innovative technical ideas for their research and healthy information sharing. Followed by his speech, he honored the chief guest with a shawl and memento. Department of Electrical (E&P) Engineering Prof. R. G. Shrivastava, Head & Convener of the event, underscored the growing needs of techfest in every field. He encouraged the youth to urge and learn to make themselves competent to this fast growing world. This is followed by the special event of the day, In the technical presentation, many papers were presented by participants on various domains. Their were 25 different events conducted & first time in the history of Wheel spin more than 3300 participants has participated from across the country. In which event "Campus Drive" gathered maximum participants.

In the valedictory function, certificates are distributed to all the participants. Prof. R. G. Shrivastava, Head (Department of Electrical (E&P) Engineering) & Convener of the event congratulated the delegates and the hosting department for the successful conduct of conference. Few participants shared their feedback of attending this event, expressing about their excitement of learning, hospitality and infrastructure provided by the college. The Vote of Thanks was delivered by Mr. Shrikant Zilpe, Assistant Professor of Department of Electrical (E&P) Engineering & Co-Convener of the event he extended his gratitude to the College Management, Principal, Vice Principal, HoD, Delegates, Panelists and Organizing Committee.

No. of Participants - 40
Organizing Secretary – Prof. J. B. Fulzele, Prof. S. D. Zilpe, Prof. A.V. Joshi
EPESA organized its Annual sports day in BDCOE play ground on 27 & 28 January 2015. The event includes indoor as well as outdoor games. Outdoor game was main attraction of the day.
The department of Electronics Engineering organized a 2 day’s workshop on an “AVR Embedded system” for 5th semester students. The experts Mr. Swapnil Katole and his team from Technovision, Nagpur was called to conduct workshop on date 22nd and 23rd of August 2014. Total 58 students have participated in this workshop.

All the students were satisfied as they have been provided complete practical exposure on AVR micro controller and embedded system. The participants learned to design application in an AVR micro controller in real time applications. Prof. N.M. Chore was coordinator of this event.
**Name of Program:** Industrial Visit (6th Sem)  
**Year:** 2014-2015  
**Staff Coordinator:** Prof. N.M. Chore, Prof. T. A. Gawande  
**Name of Industry:** IEAL POWER PLANT, Bela  
**Program Date:** 24<sup>th</sup> January 2015

On 24<sup>th</sup> January 2015 Electronics Engineering Department had organized one day industrial visit to Ideal Power Plant, Bela, Nagpur for 6th Semester students. Altogether 55 students along with 03 staff members visited. The visit was conducted by Prof. T. A. Gawande, In-charge, Industrial Visit. In the company, Manager guided the students about textile mill. They explained need of automation in today’s life. Students got the knowledge about programmable logic controller (PLC). The visit was successful in supplementing theoretical knowledge of students with practical awareness about the subject. On the whole, the entire industrial visit to the Ideal Power can be considered to be highly fruitful.
Name of Program :- Tech-Innova  
Year :- 2014-15  
Staff Coordinator :- Prof. P. K. Patil  
Student Coordinator :- Mr. Saket Sharma  
Program Date :- 21th Feb 2015  

Electronics Engineering Department organized third time a technical event “TECH INNOVA” in nontechnical manner in association with, IETE students’ forum (ISF-II) on 21th Feb 2015. It was one day event having three sub-events 1st Impression, Extempore, Visio-Tech.

1) 1st Impression
In Ist impression, students were given any product on spot and they had to advertise the particular product and judgment is given on the basis of presentation, communication. Confidence and knowledge. 24 students were participated in this event. The event in charge was Prof. T. A. Gawande and Prof. A. P. Bagade (EXTC Dept) was the judge of this event. Ms. Sayali Patil, Ms. Neha Sadalwar achieved 1st & 2nd ranks in this event respectively.

2) Extempore
In Extempore, students were given some unknown topic, the time duration of 30 second was given to think and collect ideas regarding topic and further they had to speak on that topic for two min. 9 students were participated in this event. The event in charge was Prof. S.B. Dephale and Prof. R. A. Mandaogade (EXTC Dept) was the judge of this event.Ms. Sayali Patil and Ms. Sujata Singh achieved 1st & 2nd ranks in this event respectively.

3) Vision-Tech
In Vision-Tech, students were given questions and they are give the answer.19 students were participated in this event. The event in charge was Prof. S.P. Badar. Ms.Neha Deshkar and Ms. Runal Misal achieved 1st & 2nd ranks in this event respectively. The Program was coordinated by Prof. P. K. Patil In charge IET Student coordinator.
Department of Electronics Engineering has organized intradepartmental sports event on 18th February 2015. The main objective of this event was to provide the students a platform to show their skills in sports. There were three events:
1. Cricket
2. Chess
3. Badminton

**Cricket:**
Cricket matches has conducted on college ground. Total three teams participated in cricket.
- **Round I:** 2\textsuperscript{nd} year team Vs 3\textsuperscript{rd} year team
- In the Round I, 3\textsuperscript{rd} year team won the match.
- **Round II:** 4\textsuperscript{th} year team Vs 3\textsuperscript{rd} year team
- In the Round II, 3\textsuperscript{rd} year students won the match. Cricket was conducted by students Amit Chafle & Nikhil Gattu.

**Chess:**
Total 16 students have participated in Chess.
- **Round I:** Only 4 students could clear the round base on point system and eligible for Round II.
- **Round II:** Out of 4 students, 2 students have cleared the Round II and eligible for next round.
- **Round III:** The winner of this round is Ojas Bhaisare.
Chess was conducted by students Atul Khadse & Kalyani Zilpe.

**Badminton:**
Total 20 students have participated in Badminton.
The winner of this game is Priyanka Kinge and runner up is Yamini Murthy.
Badminton was conducted by students Sayli Patil & Rahul Raipure.
The event was successfully conducted by sport in-charge Prof. N. A. Bobade and student’s coordinator Mr. Saket Sharma.
Department of Electronics and Telecommunication Engineering

Name of Program - Industrial visit at HP plastics LTD, Wardha
Program Date - 8th August 2014
Coordinators - Prof. A. W. Hinganikar, Prof. G. D. korde

Department of Electronics and Telecommunication has organized a one day visit to HP plastics LTD at Wardha. In the activity over 62 students from the second year have participated and the visit was arranged by Prof. A. W. Hinganikar.

Name of Program - Industrial visit at Crompton and grieves plant Goa
Program Date - 5th January 2015
Coordinators - Prof R. D. Kadam, Prof G. D. korde

Department of electronics and telecom has organized a one day visit to Crompton and grieves plant Goa. In the activity over 42 students from the second year have participated and the visit was arranged by Prof. R. D. Kadam and Prof. G. D. korde.
Name of Program - Industrial visit at Colombus Electronics, Chandigarh

Program Date - 13th December, 2014

Coordinators - Prof. S. P. Ritpurkar, Prof. I. B. Vyas, Prof. V. M. Rewatkar

Department of Electronics and Telecommunication has organized a one day visit to Colombus Electronics, Chandigarh. In the activity over 45 students from the second year have participated and the visit was arranged by Prof. R.D Kadam and Prof. G.D korde
Name of Program - Two day workshop on “AVR and Embedded Systems”
Program Date - 21-22 January, 2015
Coordinator - Prof A. P. Bagde

Department have organized a workshop on “AVR and Embedded Systems” under IETE student forum, the experts were invited from Techno-vision Wardha and over 35 students from the department have graced the activity, the expert lecture was delivered by ER. Swapnil katole director Techno-vision Wardha.

Name of Program - One day workshop on “PCB making”
Program Date - 26 March 2015
Coordinator - Prof. R. A. Mandaogade

Department of electronics and telecom conducted a one day workshop on “PCB making”, Prof J. D. Dhande inaugurated the function with Prof. R. A. Mandaogade with Prof. P. R. Indurkar, faculty In-charge, IETE student’s forum.
**Name of Program** - Expert Lecture on “Role of electronics automation by electronics devices in industries”  
**Program Date** - 06 August 2015  
**Coordinator** - Prof. A. P. Bagade  

**Program Details** -  
Department has organized an expert lecture on 6th of August 2015 on theme “Role of electronics automation by electronics devices in industries” by Mr. S. Bhavsar. The event was inaugurated by Prof. R. N. Mandawgane and the lecture was arranged by Prof. J. D. Dhande. The event was graced by over 100 students from the department and the faculty members of the department. In this lecture, expert has introduced the concept of automation in industry and covered the various topics related the fields of electronics automation.

---

**Name of Program** - Expert Lecture on ORCAD PSpice  
**Program Date** - 12th March 2015  
**Coordinator** - Prof. R. A. Mandaogade  

**Program Details** -  
Department has organized a one day workshop on orcad pspice for second year students. Over 70 students have participated in the workshop Dr. M.A. Gaikwad principal BDCE Sevagram has inaugurated the function with Prof R. N. Mandawgane and Prof. P. R. Indurkar.

---

**Name of Program** - A National level Model Making competition “Technovenza -15”  
**Program Date** - 24 March 2015  
**Convener** - Prof. R. D. Kadam  
**Co-ordinator** - Prof S. A. Dhande, Prof. A. W. Henganikar  
**Organizing Secretary** - Prof. I.B. Vyas
A National Level Model making competition was organized in the department of electronics and telecommunication on 25\textsuperscript{th} march 2015 in collaboration with IETE. Prof. R. D. Kadam was the convener, Prof A. W. Hinganikar and Prof. S. A. Dhande were the coordinator and Prof. Miss Isha vyas was the organizing secretary. Over 505 students from different collages have participated in the event.
Name of Program - A Three Day Workshop on Surveying
Session – 2014-2015
Date of Workshop – 18th – 20th February 2015
No. of Participants – 180
Convener- Prof. P. T. Salway Coordinator- Prof. M. R. Nikhar
Co-Convener- Prof. N. P. Shende Co-ordinator- Prof. A. B. Dehane

Program Details

Three Days Workshop on Surveying sponsored by ISTE was organized during 18th – 20th February 2015. This program was organized by Department of Civil Engineering. The chief guest of the program was Principal Dr. M. A. Gaikwad. Dr. D. K. Agarwal Management Council Member R.T.M.N.U, Nagpur gave the idea behind conducting such Workshop. Dr. S. G. Makarande H.O.D. Civil Dept. also addressed importance of Surveying and theme of the Workshop. Mr. Amit Borade was Resource person of the workshop. Dr. P. P. Saklecha Coordinator M.Tech Structural Engineering, Prof. R. S. Kedar, Prof. P. N. Patil also guided for successful conducted of workshop. Prof. P. T. Salway Convener, Prof. N. P. Shende Co-convener, Prof. M. R. Nikhar Coordinator & Prof. A. B. Dehane Coordinator of the program. About 180 students participate in this program.

BDCE – Inauguration of a Three Day Workshop on Surveying.
Name of Program - Short Term Training Program on STAAD.pro
Session – 2014-2015
Name of Resource Person- Mr. M. R. Ugemuge & Mr. B. M. Belkaiya
Date of Workshop – 22nd to 26th September 2014.
No. of Participants – 180
Convener- Dr. P. P. Sakalecha Coordinator- Prof. M. R. Nikhar
Co-Convener- Prof. N. P. Shende Co-ordinator- Prof. S. A. Wagh
Program Details -

The Short Term Training Program on STAAD.pro for M.Tech (Structural Engineering) & Civil Engineering student was organized from 22nd to 26th September 2014. This program was organized by M.Tech Structural Engineering in the Department of Civil Engineering. The chief guest of the program was Dr. M. A. Gaikwad and inaugurated the function. Dr. S. G. Makarande H.O.D. Civil Dept. gave the idea behind conducting such STTP during this speech. Dr. P. P. Sakalecha, convener of the program, addressed the theme of the program. Mr. M. R. Ugemuge& Mr. B. M. Belkaiya was Resource person of the program. Mr. M. U. Ugemuge has a great expertise in the field of Water tank & Bridge designing shared his valuable knowledge in the workshop also Mr. B. M. Belkaiya has a great expertise in the field of Building designing shared his valuable knowledge in the workshop and Prof. N. P. Shende Co-convener, Prof. M. R. Nikhar Co-ordinator & Prof. S. A. Wagh Co-ordinator of the program. About 30 students participate in this program.

BDCE: Technical session of STAAD-PRO
STUDENTS ACHIEVEMENT

The students of Bapurao Deshmukh College Of Engineering [Dept. Of Civil Engineering] have Won The 2nd Prize In INDIA’s BIGGEST CIVIL CHAMPIONSHIP [IBCC] BY ARK THECHNO SOLUTIONS and ZEPHYR – IIT BOMBAY Held At SDMP, Nagpur During 16-01-2015 To 17-01-2015. Winners have Been Awarded with Certificates of Merit and are invited to Participate in the Final Round [On the Month of March/April-2015] At IIT-BOMBAY.

NAMES : Shubham Kshirsagar, Sankalp Agrawal, Jitendra Pimple shende, Chintan Barman, Vimit Moon, Mitesh Satav

Faculty Achievements in Department of Civil Engineering

| 1. Dr. S. G. Makarande | Ph. D. in Civil Engineering |
| (H. O. D. Civil Dept.) | |

| 2. Dr. P. P. Saklecha | 1. Ph. D. in Civil Engineering , 2. Organizing Secretary For International Conference IC QUEST 2015. |
| Coordinator | |
| M.Tech Structural Engineering | |
Name of Program: Cricket Tournament

Name of Program - Site Visit

Students - Third Year site visit at POWER GRID PLANT at DEOLI

BDCE: Final Year students visited at BORKHEDI DAM
A three days workshop on “A step towards research with network simulator (NS2)” was organized by student association of P.G. Electronics of the institute. The students are acquainted with the universally adapted open source network simulator, designed specifically for research in computer communication networks and widely used as networking tool. Prof R. S. Mangrulkar, head of computer engineering of the institute highlighted on networking field, basic ideas regarding research areas in networking, wired and wireless communication, concept of routing etc. He has also demonstrated few networking modules in practical sessions.

The workshop was coordinated by Prof. Isha Vyas and Prof. S. P. Badar. The institute head Dr. M. A. Gaikwad, Prof. V. R. Ingle (Electronics-coordinator), Prof. P. R. Indurkar (VLSI - coordinator), Prof.S. W. Mohod (CSE - coordinator), and Prof. D. R. Dandekar congratulated the students and appreciated the efforts taken by the students coordinators.

**STUDENTS ACHIEVEMENT**

The student of III semester (Electronics) Miss. Aasawari Ambade secured top rank in winter-2014 examination conducted by Rashtrasant Tukdoji Maharaj Nagpur University. She has secured 332 marks out of 400.
Department of Mechanical Engineering (First Shift)

Name of Program- Roboveda’s 2014, TECHFEST-15, Advanced Robotics

TFL members of the organizing com.- Radhey gulhane, Ashish Ikhar, Prashant Borkar, Payal Doshi, B humika Choudhary & Rupali Urkude,

Heads of the administration com – Nitin Kavar & Harsha Somani,

Heads of the technical com- Pratik Panchabhai & Roshan Jaiswal

Heads of the Promotional com – Mayur Dahake & Pratik Bansode

Heads of the Procurement com – Mayur Panse & Swapnil Barahate

Heads of the Store com – Kapil Dhobale & Pratik Sahu

Members of the respective coms,

TFL has very consistent in organizing the workshops, training, events & participation at all levels,

1. ROBOVEDA’S 14, SNIST, HYDRABAD- 15 - 17 August 2014.
2. TECHFEST-15 organized by IIT POWAI from 2-4 Jan 14
3. Three day workshop on Advanced Robotics for 1st yr & 2nd yr students.
4. Game of Theros in Wheelspin-15 ,

Our students have participated in ROBOVEDA’S 14 held at Sreenidhi Institute of Science and Technology, HYDRABAD during 15 - 17 August 2014. It was an outstanding experience for all the participants where they learned new ideas and technologies about robotics. Participated students brought glory to our institution by winning the competitions.

On 16th, 17th & 18th February a 3-day workshop on ‘Advanced Robotics’ has been successfully organized by TFL at B.D.C.E Sevagram, with the kind approval of our Principal, Dr M. A. Gaikwad. Total 182 participants in 46 teams were registered in the workshop, 147 from first year, 33 from second year & 2 from schools. 3 Day of the workshop was started with construction of the bot, followed by an advanced training and At the end a live model making competition was arrange for the participants.

We have a lion’s share in wheelspin 15. Due hardcore efforts of Mr. Radheya Gulhane, Mr. Pratik Panchbhai & Mr. Mayur Dahake in association with our ex member Mr. Gaurav Tidake, Mr. Mohit bajaj & Mr. Patil. It is possible to establish a technical linkage between the IIT, Bombay and BDCE consequently resulting in Memorandum of Understanding for NIRMAAN in association with PADARTH, IIT, Bombay, The TFL has also manage the events like ROBO-RACE, FIND THE WAY, ANDROID SOCCER & LINE FOLLOWER etc in wh-15 with huge response, Our lab member Mr Radheya Gulhane’s has taken the key efforts to display the project – “Grid Power Management through Voltage Reduction to Compensate Load Shedding” under the College Banner during the 102nd Indian Science Congress organized by the University of Mumbai during 3-7 January 2015.
Name of Program in details - ROBOVEDA’14, SNIST, Hyderabad

Name of Lab - THE FIRST LAB, Free Project Lab
Session – 2014-2015

Date of Program- 15 August to 17 August 2014

Program Details-

Students of Bapurao Deshmukh College of Engineering, Sevagram participated in National Level Technical Symposium held at “Sreenidhi Institute of Science and Technology”, Hyderabad during 15th to 17th August 2014. The event was organized by “THE ROBOTICS CLUB” of the college, which is an official technical club. The club is well established and approved by all the departments of the college. It has a special entrance scheme for fresher. The event had many sponsors CISCO, JKTyres, Canon, NTPC, IBS, etc. The college campus was a spacious one. Every competition was well organized and was conducted properly with minimum errors and problems. The delays were substituted with entertainment and competitions like dancing and singing. The students were accommodated in the respective arrangement available there and all the meals were provided by them. The transportation facility was also available. The students participated in various events mentioned as below:

1) Gati
2) Gola
3) Jaladmatra
4) Sarvgami
5) Yoddha

It was an outstanding experience for all the participants where they learned new ideas and technologies about Robotics. Among these participants, some brought glory to our institution by winning those competitions. On the last day of tour, students visited many famous places at Hyderabad like Birla Mandir, Birla planetarium and Museum, snow world. It was throughout a wonderful learning experience.

Name of Program: TECHFEST 2015, IIT Bombay
Name of Lab: The FIRST LAB
Session: 2 Jan. to 4 Jan. 2015

Program Details:

It is the matter of proud that this year also, 31 Students of Bapurao Deshmukh College of Engineering, Sevagram has participated in Techfest 2015, under the banner of “The First Lab”. It is the Asia’s largest annual science and technology festival held at Indian Institute of Technology Bombay during 2\textsuperscript{nd} to 4\textsuperscript{th} January 2015. The event was organized by “IIT BOMBAY”. The event was sponsored by JIO Internet, RuPay, IMPS, Robokidz and many more. The Campus was spacious & very huge of area about 550 Acres. Every competition was well organized and conducted properly with minimum errors and problems.

Techfest 2015 had organized a series of guest lecture whole day with interval of sessions in three days which are mentioned below:

1) Dr. A.P.J. Abdul Kalam (Former President of India)
2) Vint Cerf (Father of the Internet)
3) Ada Yonath (Nobel Laureate, Chemistry)
4) R.Chidambaram (Principal Scientific Advisor to Government of India)
And many more

Techfest 2015 had also organized exhibitions as mentioned below:
1) Indian Army Exhibition
2) Indian Science Exhibition
3) International Exhibition

The students participated in various events like:
1) Mechatron- Wildcard
2) Hydronoid
3) Techno crane
4) Vortex-Wild card
5) Cantilivo
6) Combat Nautika

It was an outstanding experience for all the participants where they learned new ideas and technologies about robotics & latest technology. Among these participants, some brought glory to our institution by winning & qualifying competitions. Qualifying the particular event is also an achievement for us. It was throughout a wonderful learning experience.

The First Lab student coordinators were,

1. Nitin Kavar (Administration Com. Head) &
2. Roshan Jaiswal (Technical Com. Head)

Name of Program: ISIE-INDIAN KARTING EVENT 2014-2015
Name of Lab: MECHTRON CLUB
Date of Program and place: COIMBATORE (24th-31st January 2015)

Program Details:

For the first time in the history of B.D.C.O.E. two teams (Gear Shifter and Diesel Hawk) each of 25 members had participated in the ISIE-Indian karting event held at Coimbatore from 26th-29th January 2015. In this event we had to design and manufacture a go-kart (single seater IC engine operated four wheeler). We had successfully designed and manufactured the different components and have qualified all the stages of the event held at Kari Motor Speedway, Chettipallayam Coimbatore. In this report we will be giving a brief description of all the activities carried out during our tour to Coimbatore.

DAY-1 (24-01-2015), Sevagram

All the 50 students along with respective faculty members gathered at the railway station of Sewagram with great enthusiasm, there we had our train Grant trunk express at 2 pm. By that train we marched towards Chennai.

Day-2(25-01-2015), Chennai

On the next Day we reached at 10am to Chennai. On the same day we had another train at 3pm to Coimbatore, we reached at Coimbatore on the same day at 11.30 pm. We halted in the Shubbu hotel situated near the railway station.

Day-3(26-01-2015), Coimbatore
In the morning we had lots of chores to do. Unfortunately during the transportation of the vehicles from Nagpur to Coimbatore one of the vehicle’s steering system got damaged. It’s repairing was challenging task for us, the place was new to us and we were having language barrier. In order to participate in the event we had to repair it and only half of the day was remaining. In spite of all these hurdles we made a new steering rod. Then we had transported it to the event site. Whole day was utilized for this work. We were very tired and then we returned back to the hotel.

Day-4(27-01-2015), Coimbatore

In the morning at 7am we reached to our beautiful event site at Kari Motor Track in Chettipalayam by our bus. We had more than 50 competitors over there. We had our “Technical inspection” on the same day. Whole day was utilized for T.I and by this way we cleared our T.I on the next day. In the evening we reached back to our Hotel by our Bus. We had a very nice experience on that day. During the T.I we seriously realised that we stand nowhere in the outer world of engineering, at that time we seriously felt the need of our college support at the manufacturing level. But we still are very thankful to college and especially our mechanical department for their tremendous support and help.
Day-5(28-01-2015)

On this day our next task was to clear the braking and Acceleration test. In this task we had to accelerate and the Brake down our vehicle within restricted distance. Three Chances are provided to clear the test otherwise Incompletion leads to the disqualification. We had cleared it in first attempt. Now we were eligible for “skid Pad test”. In this test we have to complete circular laps provided with hurdles. Hitting, coming out of track leads to penalties. Our challenging task was to complete it in minimum time. Two chances were provided to complete this task. We had done it in minimum time as much as we could, and we qualified it. Our next round was “Auto cross test”. This round was more challenging than previous one as we had to move in Zigzag path provided with Hurdle’s. We had successfully cleared it in minimum time. In this way the day was over. Our bus was ready to take us to the hotel.

Day-6(29-01-2015)

We were so happy that we cleared the entire round and finally we reached to the last round of our event that is “Endurance and Fuel Economy test”. On that day unfortunately one of our vehicle’s brake was not working. We made every possible effort to repair it but still it was not working. On that moment we really felt the pressure of the event. The tension on that moment was very high. We were about to lost our hopes and thought that we are out of the event now. But we fought till the end and finally at the last moment we made it. Both of the vehicles cleared the test successfully. Unfortunately our points were not enough to make any prize due to lack of experience. The satisfaction that we got after seeing our vehicles running fearlessly on such a big track is more than any reward. We made it and we are successful in the event and confident enough to face the upcoming events.

Day-7(30-01-2015)

We had our train Coimbatore-Jaipur Express from Coimbatore junction at morning 9.30 am to Sevagram.

Day-8(31-01-2015)

So finally we arrived back to Sevagram in the afternoon 12.30 pm.
Student Review: We all are thankful from the bottom of our hearts to Prof. U.D Gulhane sir (HOD Mechanical) and Prof. R.J Dahake sir (HOD 2nd shift mechanical) for their immense guidance and overall support that really made us successful. Thank you sir, thank you very much!!!!!
Department of Applied Science (FIRST YEAR)

Name of Program- Orientation Program
Session - 2014-2015
Date - 01/08/2014
Name of Chief guest- Dr. M. A. Gaikwad -Principal
Name of Program In-charge - Dr. Mrs. P. S. Sawadh, First year officer Incharge

Program detail–

The very first day of the B.E., First year Students stared with great enthusiasm. The students were welcomed officially through the orientation programs which started at 10.00 Am. The program was inaugurated by Honorable Principal Dr. M. A. Gaikwad, HODs of all departments were present on this occasion. The program was conducted by Prof. Y. G. Thakre. The very first address to the students was made by Dr. Mrs. P. S. Sawadh (FYOIC). She welcomed all students through her motivating speech. Discipline and regular attendance was the main focus of her address. She also informed the students about the first year students association and various activities to be conducted under the association. The students were then addressed by Dr. M.A.Gaikwad, who inspired students. He stressed on the development of technical aptitude and approach of students towards research and development in the field of Engineering. As the programs reached is climax the excitement level of students was highest, the reason was a very beautiful power point presentation given by prof. Manish Upadhyay, from training and placement cell. The theme of presentation was ‘parichay’. The intention of this presentation was to make students acquainted with the college. The vote of thanks was proposed by Prof Laxmi, Deprt. of Mathematics.
A remarkable function in connection with teacher’s celebration was held on 5/9/2014 in auditoriums at Bapurao Deshmukh College of Engineering, Sevagram. Students were addressed by Dr. M.A. Gaikwad, Principal and Dr. Mrs. P. S. Sawadh, First Year Officer In-Charge. All HOD’s presided over the function. The very first address to the gathering on this auspicious Occasion was made by First Year OIC, Dr. Mrs. P.S.Sawadh she told Students absent the significance of teacher in a student’s life. She also added that every person who is humble, honest, Sincere, Hardworking can be a teacher. The highlight of the day was the installation of First Year Student’s association FYSA. This concept was very well enplaned and introduced by her to students in her speech. The presidential address to the students was made by Honorable Principal Dr. M. A. Gaikwad. He mentioned the Contribution of teacher in the field of education. His major focus was on the skill development. He told students to prepare and develop themselves for the Competing world. The first year students expressed their gratitude towards their beloved teachers by offering those gifts and greeting Card as a token of love and affection. Besides this few girl students presented colorful dances to express their love & respect towards their teachers. The students worked very hard for the success of the event which was proved by the performances of the students. The previous year students who scored top position in university exam were also felicitated on this occasion.
Name of Program: Installation of First Year Students Association

Date: 05/09/2014

Name of Chief guest: Dr. M. A. Gaikwad - Principal

Name of Program In-charge: Dr. Mrs. P. S. Sawadh, First year officer in charge

Program detail:

First year students association was installed on 5/09/2014 in auditoriums at Bapurao Deshmukh College of Engineering, Sevagram for the very first time with great aspirations. Students have a wide variety of interest outside the classroom, many of which remain unexplored. Hence the First Year students association ‘FYSA’ was formed at BDCOE by efforts and initiation of first year In charge Dr. Mrs. P. S. Sawadh, Principal Dr. M. A. Gaikwad is the major support systems of the association. Students are continually given a wide range of opportunities to create and implement ideas for activities and are encouraged to pursue their interest by participating in various events through the committees working under ‘FYSA’. In all, five committees work under FYSA, namely Event management, Cultural, sports, magazine and teacher Guardian committee. Very first the icon of FYSA was unveiled by Dr. M. A. Gaikwad, followed by the announcement & felicitation of the President, Vice President, Secretary & treasurer. Announcement of various Committees which would work under FYSA was also done.

**BDCE: Installation of FYSA by Honorable Principal Dr. M. A. Gaikwad**
Name of Program- Personality development program

Session - 2014-2015

Date - 9/09/2014 & 12/09/14

Name of Chief guest- Dr. Mrs. P. S. Sawadh, First year officer in charge

Name of Program In-charge- Prof. V. N. Kalbande, T & P Officer and Prof. Manish Upadhyay

Program detail–

Along with the regular classes, students of B.E first year were also taken a step ahead through personality development program. For all the sections the personality development program was arranged in collaboration with training and placement department. The students were briefed about the placements criteria of various companies. They were also made acquainted with the eligibility required to attend campus interviews of various companies. The students were then taught about the way, how they should be dressed up, how they should sit in the class and the way they should behave in the premises. Finally the students got to learn a lot of things regarding the mannerism and etiquettes. All the students benefited a lot from this program.

BDCE: Prof. Manish Upadhyay presenting a demo while students look on.
**Program Name** - Intercollegiate Debate Competition

**Session** - 2014-2015

**Date** - 10/10/2014

**Name of Chief Guest** - Mr. Sanjay Mate (Coordinator of Neharu Yuva Kendra, Amravati) & Prof. Bhakti Natoo (HOD, humanities, AVBIT, Pawnar)

**Name of Program In-charge** - Prof. G.P. Bonginwar, Department of Electrical Engineering

**Program detail** –

Students then organized a mega event on Intercollegiate Debate Competition on 10/10/2014. A great response was observed from students of various colleges who spoke for and against the topic “YOUTH ARE NECESSARY GAME CHANGER IN POLITICAL REVOLUTION”. Mr. Sanjay Mate (Coordinator of Neharu Yuva Kendra, Amravati) and Prof. Bhakti Natoo (HOD, humanities, AVBIT, Pawnar) adjudged the debate. The program was guided by Dr. P.S. Sawadh who was also Convener of the program and coordinated by Prof. G.P. Bonginwar. Aksha khopde from 1st BDCE was the winner. At the end of the program vote of thanks has been given by Ku. Vaishnavi Deshmukh (member of FYSA).

*BDCE: Winner student being felicitated by Dr. Mrs. P.S. Sawadh and participants from different colleges look on.*
Name of Program- Sports week
Session - 2014-2015
Date - 16/01/2014 to 23/01/2014
Name of Chief guest- Er. Samir Deshmukh, Director BDCOE
Name of Program In-charge- Prof. S.Upadhaye, Department of Applied Mathematics

Program detail—
FYSA and Sports Department had jointly organized sports festival during 16th to 23rd Jan. 2015 at B.D.C.O.E. On 16th January inaugural ceremony was organized in sports Department. Hon. Director Er. Samir Deshmukh was the chief guest of the function and Dr.M. A. Gaikwad was the president and other Dignitaries were Dr. Mrs. P. S. Sawadh OIC B.E. Ist Year, Dr. G. V. Thakre, Dr. A. D. Deshpande and Dr. J. M. Bade. The section wise sport events undertaken were cricket, Badminton & Chess. Students participated enthusiastically in all the sports activities. Badminton and Chess were undertaken parallel for girls as well as boys, section wise. The winner of badminton among boys was F Section while Sec. E team was the Runner up. Girls of Section E won the final match of Badminton from C. Diksha Kose of section E proved to be the brain champ as she clinched the winner position in Chess by beating Prapti Moon of section F. Cricket the most popular game today was also held with great Zeal among all the Sections. A beautiful Cricket game was held between girls of Section E & F where Team F gave a splendid performance and won the match. Among boys team Section F and Sec. D entered the final cricket match. The final match was held on 23 rd Jan. 2015 where Sec. D achieved the winner position and sec. F was runner up. Sports week festival ended with a friendly match between Section D i.e the winners and the staff (Teaching & Nonteaching) which was the highlight of the day.

Date - 31/03/2015

Name of Chief guest- Dr. D. K. Agarwal, senate member RTMNU Nagpur university.

Name of Program In-charge- Dr. Mrs. P. S. Sawadh, First year officer Incharge

Program detail–

On 31/03/2015, the students of B.E First year had a sense of achievement as the students who participated in various extra-curricular activities throughout the academic session 2014-2015 were felicitated. The function was graced by Honorable Dr. D. K. Agarwal, senate member, RTMNU, Nagpur. The dignitaries on the dias were Dr. M. A. Gaikwad, Principal, Dr. D. K. Agarwal, Senate member, Dr. M.D. Chaudhary, Chairman Board of studies, Dr. Mrs. P.S.Sawadh, B.E First year Officer in charge. On this occasion students were addressed by Dr. Mrs. P. S. Sawadh, who presented the annual report of all the extra-curricular activities held throughout the year. She also read out the draft submitted by First year students association ‘FYSA’, which mentioned the gift/souveniour given by FYSA to B.E first year in the form of water cooler. She also declared a prize for second topper of B.E First year from the FYSA fund every year. From this year the sports winner team will also be given the rolling shield. The gathering was then addressed by our Honorable Principal, Dr. M. A. Gaikwad, who congratulated students for achieving success in various events carried out throughout the year. He also advised the students to introspect themselves and to explore new skills. The students were then engrossed in listening to the chief guest Dr. D. K. Agarwal, who interacted with students. He appreciated all the students for being the pioneers of BDCE who launched the First year student’s association and college magazine ‘Rainbow-2015’ for the very first time. The highlight of the function was the unveiling of the college magazine ‘Rainbow-2015’. The program was followed by the prize distribution. All the winners were felicitated on this occasion by the dignitaries on the Dias. As it was the concluding event of the academic session, the students were also given refreshment. The function concluded with national anthem.

*BDCE: Dr. D. K. Agarwal presenting prize to winner students and unveiling of magazine.*
Department of Management Studies

Name of Program - Social Activity on the occasion of Independence Day
Academic Session - 2014-2015
Date – 15/08/2014

Program Details –

The Students of Department of Management Studies, BDCE had organized a social activity of Tree Plantation in Sevagram Grampachayat on the occasion of Independence Day on 15th August 2015. Bapurao Deshmukh College of Engg. Sevagram wardha has a tradition of organizing social activities; this trend is kept continued by the students of MBA Department. Prof. Ms. S. B. Diwate & students of MBA took major efforts & initiative to make the event successful.

Dr. M.A. Gaikwad (Principal), Dr. R. O. Panchariya (Co-ordinator of MBA Dept.) appreciated the students for such type of activity under the CSR programme. All faculty members of MBA Dept. Prof. R. B. Gajbhiye, Prof. S.O. Sharma, Prof. S. S. Kitey & Mr. Y.V Ghogre were also supportive for the event.

**Name of Resource person** – Mr. Shailesh Sandel (Resource Person SEBI)  
**Program Details** –  
Department of Management Studies, B. D. College of Engineering, Sevagram has organized Investor Awareness Programme on 'Investment Basics' conducted by Mr. Shailesh Sandel (Resource Person SEBI) on 22nd November 2014 and the event is sponsored by Bombay Stock Exchange’s Investor Protection Fund (BSE IPF). In this event Mr. Shailesh Sandel has explained the students regarding different principles of investment.
Name of Program - One Day Workshop on “Fundamentals of Stock Market, Risk Return Analysis, Trading Strategy Using Futures and Options”

Academic Session - 2014-2015

Date – 29/11/2014

Name of Resource person – Mr. Swapnil Dixit (Certified Financial Planner)

Program Details –

Department of Management Studies, B. D. College of Engineering, Sevagram has organized One Day Workshop on “Fundamentals of Stock Market, Risk Return Analysis, Trading Strategy Using Futures and Options” for the students of MBA. Mr. Swapnil Dixit (Certified Financial Planner) is the eminent speakers, who enlightened the students present at the workshop on various important aspects of Stock Market, Risk Return Analysis and Trading Strategy including the career opportunities available in the stock market.

Extensive deliberations were made on Stock Market and Trading Strategy. Some of the noteworthy aspects discussed include the following:

- Basics of Share Market, Issue of Shares, Types of Shares, Types of Fixed Income Money Market Instruments, Market Indicators, Understanding Indicators, Types of Investment options with their advantages and disadvantages
- Types of Accounts required to start investment
- Risk Return Analysis
- Do’s & Don’ts for Investors
- Introduction to Derivatives Market
- Trading Strategy using Futures and Options

The Workshop witnessed participation of 77 students from various institutions and there was an overwhelming response to the workshop. All the participants delighted and wished to attend same kind of workshop in future. Honorable Director Shri. Samir Deshmukh and Dr. M. A. Gaikwad, Principal of BDCE gave their valuable guidance and encouragement to organizing committee for effective execution of workshop. Dr. R.
O. Panchariya, Convener of the workshop and organizing committee members of the workshop Prof. R. B. Gajbhiye, Prof. S. O. Sharma, Prof. S. S. Kitey, Dr. S. B. Diwate and Prof. S. L. Godbole took extreme efforts to execute the event successfully.

**Name of Program** - Guest lecture on “Confidence Multiplier”  
**Academic Session** - 2014-2015  
**Date** – 23/01/2015  
**Name of Resource person** - Mr. Swapnil Bhende (Trainer, PDIMTR, DNC, Nagpur)  

**Program Details** –  
A Guest lecture was organized by Department of Management Studies, B. D. College of Engineering, Sevagram on “Confidence Multiplier” conducted by Prof. Swapnil Bende, on 23rd January 2015. He guided Students on the different phases in life to be worked on to become successful i.e, the learning phase, the leadership phase, the risk phase, the wealth phase and the security phase for self improvement. Prof. Bende also explained to students about the various qualities of successful people.

He explained regarding Confidence and where does confidence come from, mainly by –  
1. Understanding the conventional pre-requisites of any activity.  
2. Educating people on the effective steps  
3. Continuous application with perseverance.  
4. Proficiency of visible progress.
Name of Program – Guest lecture on “Career in Insurance Sector”

Academic Session - 2014-2015

Date – 13/02/2015

Name of Resource person – Mr. Anil Mukhre (Manager, HDFC Life, Wardha)

Program Details –

A Guest lecture was organized by Department of Management Studies, B. D. College of Engineering, Sevagram on “Career in Insurance Sector” conducted by Mr. Anil Mukhre (Manager, HDFC Life, Wardha) on 13th February 2015. He has given in-depth knowledge how insurance industry work and what are future scope of this industry. He tried to break myth of students of insurance industry and put forward, why the career in this industry is always booming. He also motivated students to pursue their career in insurance industry.

Name of Program – Sports Day

Academic Session - 2014-2015

Date – 14/02/2015

Program Details –

Sports Day was organized by Department of Management Studies, B. D. College of Engineering, Sevagram on 14th February 2015. Students of MBA had participated in sports like Cricket, Badminton and Chess on this occasion. Every year department has been organizing sports day to explore sporting potential in students and make them competent and develop their whole personality. The event was coordinated by Prof. S. L. Godbole.
Name of Program – Guest lecture on “Public Speaking”

Academic Session - 2014-2015

Date – 24/02/2015

Name of Resource person – Ms. Snehal Dhanvijay (HR Manager Maharojgar Weekly, Nagpur)

Program Details –
A Guest lecture was organized by Department of Management Studies, B. D. College of Engineering, Sevagram on “Public Speaking” conducted by Ms. Snehal Dhanvijay (HR Manager Maharojgar Weekly, Nagpur), on dated 24th February 2015. She guided management students of the department on various aspects and techniques of public speaking.

Name of Program - Debate Competition and Panel Discussion on Union & Rail Budget-2015

Academic Session - 2014-2015

Date – 25/03/2015

Program Details – Department of Management Studies, Bapurao Deshmukh College of Engineering, Sevagram has organized Debate Competition and Panel Discussion on Union & Rail Budget-2015. As Department of Management Studies has a tradition to conduct various events for students development with motto to create competitive edge to survive in today’s cut throat competition. Under this developmental programme series department has conducted Debate Competition and Panel Discussion on Union & Rail Budget-2015 on dated 25th March 2015 in MBA Department.

In this competition students of MBA try to focus on pros and cons of every sector in Union and Rail Budget. In Rail budget it put light on various parameters like women safety, ticket booking system issues, profitability of railway, Passenger Amenities/Services with focus on food services & on cleanliness, sanitation,
Financial Discipline, Resource Mobilization, IT Initiatives, Transparency & System Improvements. Similarly in Union budget it put light on various sectors like Inflation, Fiscal Roadmap, Good governance, Agriculture, Infrastructure, PPP, Tourism, Skill India, Taxation, Black Money, Make in India.

Prof. R. J. Dahake chaired the session as a judge for this event. Dr. M. A. Gaikwad, Principal of BDCE and Dr. R. O. Panchariya, Head of MBA Department gave their valuable guidance and encouragement to organizing committee for effective accomplishment of the competition. Prof. S. O. Sharma and Prof. S. L. Godbole conducted the proceedings of the event and took extreme efforts to execute the event successfully. The event was also supported by Prof. R. B. Gajbhiye and Prof. S. S. Kitye.

**Name of Program** - Industrial Visit to SEBI & NSE of India Ltd., Hyderabad

**Academic Session** - 2014-2015

**Date** – 28/03/2015 to 01/04/2015

**Program Details** –

Industrial visit inculcates a facility to showcase implementation of theoretical knowledge into practice in an industry. To avail this facility to students a five days industrial tour to Hyderabad was organized by Department of Management Studies, Bapurao Deshmukh College of Engineering, Sevagram from 28th March to 1st April 2015. During this tour the students of MBA got various opportunities to visit distinguished industries. Firstly for understanding legal framework of Share Market students were taken to visit Securities Exchange Board of India (SEBI) which is taking care as a regulatory board of share market and they also visited National Stock Exchange of India Ltd.(NSE) to experience process of live trading of shares.

Secondly they visited ATLAS Industries to get acquainted with weaving and punching processes of sponge iron. Students were fortunate to get the knowledge regarding batch production and management of manufacturing units in South India. Finally students visited Ramoji Film City which gave insights of film making and business avenues associated with entertainment industry. All students applauded the efforts taken by their college to organize industrial visit and expected the same every year.

*BDCE : Students with Prof. S. O. Sharma & Prof. S. S. Kitye at SEBI & NSE, Hyderabad*
Total 23 students accompanied with Prof. S. S. Kitey and Prof. Sumit Sharma went on the industrial tour. Dr. M. A. Gaikwad, Principal of BDCE and Dr. R. O. Panchariya, Head of MBA department gave their valuable guidance and encouragement for organizing the industrial tour.

Prof. M. S. Jibhakate is appointed as Wardha District Area Program Coordinator NSS for the session 2014-15 by Honorable Vice Chancellor and President NSS RTM, Nagpur University, Nagpur.

Prof. M. S. Jibhakate honored by Swar Sadhana, Nagpur, in the exhibition Apli Vasundhara for his remarkable work in the area of environment.
1. **85% students got placed in the Placement Year 2014-15 from BDCE, Sevagram**

This year first time in the BDCE history, Eighty Five per cent students have got selected in the prestigious companies. 155+ students from Bapurao Deshmukh College of Engg., Sevagram have been selected in various companies like L & T Infotech, Tech Mahindra, TCS, Horizon Telecom, Parametrix Technology, Mphasis Limited and Smart Data, Alembic Pharmaceuticals Ltd., Bajaj Fin Serve etc. The average salary package for year 2014-15 was 2 LPA. Students from BDCE enthusiastically participated in the drives provided by the College. College is providing employment opportunities to all aspiring students in reputed companies. Several Career Guidance Program, Aptitude Tests, Online Aptitude Tests, Group Discussions, Personal Interviews were organized on regular basis in order to motivate and develop the employability of the students.

T & P Department worked hard to prepare students for the campus placement recruitment process. College provided required training to enhance employability among the students to fulfill the industrial requirements and help in getting better job opportunities to the students.

The placement recruitment activities for year 2014-15 have been successfully carried out under the guidance of Prof. Vijay N. Kalbande, Training & Placement Officer, Prof. Sachin Ghangale, Asst. T & P Officer, Prof. Manish Upadhyay, Asst. T & P Officer (Training) and T & P Team worked hard for the success of the drives.
2. **Pool Campus Drive at BDCES for Vidharbha Region engineering students**

MIND (Mothersonsumi Infotech & Designs Ltd.) is a core competency center within Samvardhana Motherson Group, providing “Engineering & Design Services” to both internal as well as external customers. MIND is a Public Limited Company and is involved in several prestigious projects from external customers - national and international. The company has headquartered at Noida (India) with branch operations in Chennai & Bangalore & Pune within India and Australia, Austria, Ireland and Germany globally. MIND visited at BDCE to recruit students from Vidharbh Region Engineering Colleges on 09/07/2014 and have shortlisted 18 students.

BDCE hosted Pool Campus drive for MIND at college campus to recruit 2014 Batch students from Vidharb Region Engineering Colleges. (Including engineering colleges affiliated to Nagpur, Amravati and Gondwana University). Company preferred BDCE to give platform to engineering graduates from Vidarbha region. 150 students participated in the drive from various colleges. Er. Samir Deshmukh, Director of the College interacted with Company Representative Sanjay Arora, VP MIND, Anil Rawat, AVP, Rakesh Sharma, Head HR, Mahendra Verma, Deputy General Manager and promised them that we will make every efforts to provide job opportunities to our students. He also informed them that our students are trained on aptitude test, group discussions, personal and technical interviews and this is the major USP of BDCE. Company Representative showed their gratitude and appreciated the excellent educational environment of the College. Kirti Sahare, Sr. Executive HR and Anup Pathak, Design Engineer, MIND successfully executed recruitment process along with T & P Team.
3. **Students placed in L & T Infotech**

Six students from Bapurao Deshmukh College of Engineering, Sevagram got selected in L & T Infotech Company in the Recruitment process held on 14/2/2015. Five students from B.E and 1 student from M. Tech cleared Selection Criteria based on Written Test, GD, technical & HR Interviews. The selected students will join their duties in the month of July 2015. They are selected as Software Engineer Trainee with salary package of 3.00 Lacs per annum.

6. **Industry Institute Interaction (III) Meet- Saturday, 14th March’2015**

The Bapurao Deshmukh College Of Engineering Sevagram, Wardha conducted III meet on dated 14th March 2015 in association with C.DASS group (Wardha IT Park) as well as ECPA (Engineering College Placement Association). The networking partner for this event was BOAT (Board Of Apprenticeship Training and VIA (Vidarbha Industry Association). This is second time we have conducted this event in our college. Last year college had conducted III meet in month of Jan 2014 in collaboration with IIPC (Industry Institute Partnership Cell). In III Meet-2015 Industry Expert has invited from various engineering field as well as Management Areas. Initially the event was started with registration process followed by hi-tea and Breakfast.

In Inauguration all honorable dignitaries of the event (Left to Right) are as follows:

1. Mr. A. Zuber [Wardha I.T Park Wardha]
2. Mr. Vipin C. Bhatiya [Executive Director, Wardha IT Park (C.Dass Group), Wardha.
3. Mr. Shashikant Chaudhary [MD, Global Logic Ltd., Nagpur]
4. Dr. M. A. Gaikwad [Principal, BDCOE, Sewagram, Wardha.]
5. Dr. D. K. Agrawal [Member, Management Council, RTM Nagpur University]
6. Mr. CVS Pratap [Vice President (Techno Commercial), Adani Power Ltd., Gondia]
7. Mr. Anand Manjarkhede [ECPA, Nagpur]
8. Mr. V.N. Kalbande [TPO BDCOE, Sewagam, Wardha.]

VIEWS OF INDUSTRY EXPERTS:-

- **Mr. A Zuber** [Wardha I.T Park, Wardha]
  
  Mr. A. Zuber is handling all operations of Wardha I.T park and he has given overview of progress of Wardha I.T park. He also focuses on the different projects handled by Wardha IT Park.

- **Mr. Vipin C. Bhatiya** [Executive Director, Wardha IT Park (C.Dass Group)].
  
  Mr. Vipin C. Bhatiya talked in Marathi and discussed the importance of Maharashtra in development of Society & Industry Exposure.

- **Mr. Shashikant Chaudhary** [MD, Global Logic Ltd., Nagpur]
  
  Mr. Shashikant Chaudhary is MD of Global Logic Ltd. Nagpur. He has given overview of changing IT Market & and how we can be prepared to cope up in cut throat competition to survive in competitive market.

- **Dr. M. A Gaikwad** [Principal, BDCOE, Sewagram, Wardha.]
  
  Dr. M. A. Gaikwad has given the overview of the program and the reason behind conducting such events in college. He also elaborate how such events going to be very useful for not only for industry but also institution to bridge the gap. He has shared his inputs of 2014 III Meet and explains how we try hard this year to make this event successful by eliminating last year lacunas.
- **Dr. D.K Agrawal [Member, Management Council, RTM Nagpur University]**

  Dr. D.K Agrawal, as a member of management council of RTM Nagpur university Nagpur put light on various efforts taken by university. He also shared the future course of Actions for bring Industry closer to Institutions of R.T.M.N.U., Nagpur University.

- **Mr. CVS Pratap[Vice President (Techno Commercial),Adani Power Ltd.,Gondia]**

  Mr. CVS Pratap shared the view about the scope & development of Power Industry and how power industry contributes to growth strategy & its development.

- **Mr. Anand Manjarkhede[ECPA, Nagpur]**

  Mr. Anand Manjarkhede shared the view about how Engineering College Placement Association playing role of Networking & channelizing efforts.

- **Mr. V.N Kalbande[TPO BDCOE, Sewagam, Wardha.]**

  Mr. V.N Kalbande has given overview of entire program and shows his gratitude toward all honorable dignitaries on the dice and off the dice to accept the invitation and congratulate to all committee members for their effort to make this event successful. At the same time he also shared the flow of III Meet-2015.
Panel Discussion -

The inauguration is followed by the panel discussion with industry experts, Academicians, TPOs from various colleges and role of reporter of this panel discussion has been played by Mr. M. M. Upadhay.

THE CONNECT -

The connect program is designed in four tracks. The prime purpose to conduct –The Connect is one on one discussion in between students, industry experts along with TPO. Students from various branches has been add in THE CONNECT.

Visit to Wardha IT park -

After THE CONNECT, all guests has visited Wardha IT park and have look of his plan of development and evening tea with all guest. A official from Ample Leap has interacted with Vidarbha T&P Officers regarding the Training & Placement Opportunities. He also stressed on the qualities required from budding Engineers.
4th International Conference on Quality Up-gradation in Engineering

- **Title of International**: 4th International Conference on Quality Up-gradation in Conference Engineering, Science & Technology “IC-QUEST-2015”
- **Organized By**: M.Tech. (CAD/CAM), Department of Mechanical Engineering,
- **Venue**: Dr. APJ Abdul Kalam Hall (2nd floor Comp. Engg. Dept.)
- **No. of delegates**: 309 (Research scholars from all over country)
- **Date of conference**: 11 April, 2015
- **Time**: 8:00am to 6.30 pm

For an Inauguration: on Dais –

- **Chief Guest**: Dr. S. P. Kane, Vice- Chancellor, RTM Nagpur University, Nagpur
- **Guest of honor**: Dr. D. K. Agrawal, (Member of Management Council, RTMNU, Nagpur)
- **President of Function**: Dr. M. A. Gaikwad, Principal, B. D. College of Engineering, Sevagram,
- **Keynote speaker**: Dr. R. L. Shrivastava, Professor, Mech. Engg. Department, YCCE, Nagpur
- **Convener**: Dr. A. R. Sahu, Professor, Mech. Engg. Deptt. BDCE
- **Secretary**: Dr. P. P. Saklecha, Professor, Dept. of Civil Engg., BDCE

For an Valedictory function on Dais –

- **Chief Guest**: Dr. V. A. Sawant, Asso. Professor, Dept. of Civil Engg., IIT Roorkee,
- **President of Function**: Dr. M. A. Gaikwad, Principal, B. D. College of Engineering, Sevagram,
- **Convener**: Dr. A. R. Sahu, Professor, Mech. Engg. Deptt. BDCE
- **Secretary**: Dr. P. P. Saklecha, Professor, Dept. of Civil Engg., BDCE
- **Coordinator**: Prof. P. R. Indurkar, Asso. Professor, Dept. of EXTC., BDCE
- **Treasurer**: Prof. N. P. Doshi, Asso. Professor, Mech. Engg. Deptt., BDCE
- **Editor in Chief**: Prof. Mrudula Nimbarte, Asso. Professor, Dept. of Comp. Engg. BDCE

Report of Program:

- IC-QUEST-15 is the 4th international conference in the series of previous International conferences held at our institute viz. EFITRA-12, IC-BEST-13, IC-QUEST-14.
- The international conference on Quality Up-gradation in Engineering, Science & Technology (IC-QUEST-2015) has been organized with the aim to promote research and developmental activities in the field of engineering, Science, and technology and to bring researchers and experts from
academia and industry on a common platform to discuss the recent technologies being adopted in India and abroad.

- We had received around 275 papers under different tracks from various technical institutes all over the country. The reviewer committee had selected 210 papers for presentations in the conference and inclusion in the e-proceedings.

- The conference is recognize by Institution of India, Nagpur Local Chapter, and selected paper will be published in International Journal of Engineering Research (IJOER) (ISSN:2321-7758), International Journal of Computer Applications (IJCAONLINE)(ISSN: 0975-8887) and International Journal of Engineering Research & Applications (IJERA) (ISSN:2248-9622) having good impact factor.

- **Chief Guest Dr. Siddarth Kane**, express his view on this occasion he in his speech mentioned that education provides progress and culture. The prospective development of the country and society will be achieved only through education. Teachers should play a vital role in guiding the students. He further mentioned that it is necessary to update knowledge, develop learning capacity & implement the information in practical life to withstand in the education sector which is considered as the deep ocean.

- Dr. S. P. Kane pointed out that the teachers should adopt three Rs. Relationship with work, Relationship with student, and Relationship with Institute & three Ls-Life Liberty & Learning.

- The student should go for more research works & the teachers should motivate them in this venture. He also applauded the effort of BDCE for organizing national-level conference on the recent topic.

- The guest of honor Dr. D. K. Agrawal illustrate the importance of maintaining quality upgrade in engineering sector

- Dr. R. L. Shrivastava lamented that only 18% of engineering graduates are eligible for employment. There should be good bounding between industry and Institution which results in progressive development of students.

- In the valedictory session, Dr. V. A. Sawant mentioned that the conference was the best platform to gain the knowledge

- Vote of thanks given by Prof. Mrudula Nimbatre editor in chief, Deptt. Of CE.
Alumni Meet Delhi-2014-2015

BDCE : The BDCE Alumni was in Delhi Meet participation by, Dr. A. R. Sahu, Dr. D. K. Agrawal, Prof. R. S. Kedar, Prof. N. P. Bobade
Alumni Meet – 2015

Name of Program: Alumni Meet – 2015

Name of Coordinator: 1) Prof. R. D. Kadam (1990 admitted batch)
                       2) Prof. N. P Bobade (1991 admitted batch)

Program Details:

The Alumni Meet 2015 was organized by Gandhigram Engineers Alumni Association (GEAA) as a part of our regular interaction with alumni to strengthen our bonding and share mutual growth at BDCE Campus, Sevagram on 28th February 2015. The alumni Meet was conducted for admitted batch of 1990 and 1991.

The meet was graced by our beloved Principal Dr. M. A. Gaikwad, President of the program, Mr. Prasanna Sathe, Secretary, Northern region Alumni Chapter of GEAA, New Delhi as Chief Guest of the meet, Mr. Patanjali Sharma, Deputy Gen. Manager, Power Grid Corporation of India Ltd, Wardha as Guest of Honour and Dr. D. K. Agrawal, member of management council, RTMNU, Nagpur. Prof. R. S. Kedar, President of GEAA, Dr. Shrimwar, Alumni representative, Prof R. D. Kadam Coordinator (1990 admitted batch) and Prof. N. P. Bobade, Coordinator (1991 admitted batch). Around 45 to 50 alumni working in various key positions in many reputed organization were present in the Alumni meet.

Initially, all the senior teachers were felicitated by alumni then ‘Alumni Gate’ was inaugurated by all the dignitaries and alumnus. This was followed by tree plantation in front of the alumni gate with motto to make mother earth pollution free and ever green. During the function, alumni were invited on the stage and they were asked to mention some of the memories of the Institute which they had in their mind after which, they were felicitated by a memento.

All the alumni were very happy and appreciated the hospitality and the respect which was bestowed on them by the Institute. Also they remarked that it was a very good platform and a great opportunity to interact with Alumni members and relish & refresh the time spent together.

Alumni Members interacted with our current students and focused on the training and placement. After an eventful day, with promises and hopes of meeting again in the journey called life the alumni bid farewell to each other and left with memories to cherish.
Ganesh Festival-2014-15

The Department of Electronics Engineering coordinated the Ganesh Festival for year 2014-2015
Rastrasant Tukdoji Maharaj Nagpur University
Consumers Co-operative Society Ltd., Nagpur.
(R. No. NGP / CON /26) Ph. 2534379.

To,

Shri. R. U. W. E. 

Society, Nagpur.

Subject:- “Co-option as a member of the Board of Director.”

Sir,

In the meeting of the Board of Directors held on 19-06-2013 it was resolved
to co-opt you as a member of the Board of Directors. In view of this you are now a member of
the Board of Directors of the R. T. M. Nagpur University Consumers Co-operative Society Ltd.,
Nagpur.

If you have any objection in this you are requested please to inform the
society accordingly.

This is for your information and necessary action.

Thanking you,

Yours faithfully,

(S. G. Ghule)
General Manager.
